Bring Democracy Now! To the Public Airwaves in Grand Rapids

We, the undersigned, want to see the community radio station 88.1FM, WYCE and the local PBS affiliate, WGVU, run Democracy Now! 5 days a week between 7:00am and 10:00pm. We feel that the non-partisan journalism of Democracy Now! is a needed source of investigative journalism that the community of West Michigan would benefit from. We want a commitment from both stations by October 1 of 2007 to begin broadcasting this program no later than January 1, 2008. We also pledge to make a financial contribution to these stations once they begin air Democracy Now! in the amount designated below.
