Stop CAFTA Now

Petition Congressman Ehlers to vote NO on CAFTA

Congressman Ehlers, we ask you to vote **NO** on the **Central American Free Trade Agreement** because free trade is destructive to agriculture, the economy, and ultimately, to life. AND because: 1). CAFTA is modeled after our present NAFTA policy. NAFTA has opened the door for the exportation of many thousands of jobs. 2). Small farmers will not be able to compete with cheap imports or with agro-business and will lose their land 3). CAFTA allows corporations to take governments to court if protecting the environment gets in the way of corporate earnings.
